The screenshot shows a calendar interface for August 2023. At the top, there are navigation controls: a left arrow, a right arrow, and a 'today' button. Below these are buttons for 'month', 'week', and 'day' views. The month 'August 2023' is displayed in a large font. The calendar grid shows days from Sunday to Saturday. The date '10' is highlighted in yellow. A vertical scrollbar is on the right side of the calendar grid.
